

January 1, 2007

Dear Friends of HVEF:

The Huron Valley Educational Foundation partners with the Huron Valley Schools to improve education for the students in our community. HVEF is a public charity founded in 1996 by parents, educators and community leaders. The mission of the Foundation is to raise and distribute funds that provide new experiences for students in Huron Valley Schools. We help teachers teach, and we help kids learn. With this letter, I am asking you to consider making a contribution to HVEF.

The Foundation is pursuing a variety of ways to fund the creative ideas of our teachers. Each year our grants are funded through tax deductible contributions from individuals and business partners. One of the ways we receive support is through our annual fund. Gifts to the annual fund provide the resources we need to grow our teacher and classroom grants. I hope you will make a gift to HVEF.

Undoubtedly at this time of year you are receiving many appeals from worthy causes asking for your charitable support. Something that sets HVEF apart from many organizations is that your support stays right here! Your contribution to HVEF stays in this community and directly benefits the students and teachers in our schools, and strong schools help ensure a strong community. While we are separate from Huron Valley Schools, we are here to provide resources that make our classrooms better. Your support for our annual fund today will make tomorrow's classrooms even better!

Sincerely,

Matt

Thanks for supporting our kids!

Matt Jenkins
Executive Director
Mjenkins@hvef.com

Your gift to Huron Valley Educational Foundation qualifies as a charitable donation. HVEF is recognized as a 501 (c) 3 non-profit foundation by the Internal Revenue Service and serves the educational goals of teachers and students in Huron Valley Schools.
