

MESSA NurseLine

NurseLine is a health information phone line staffed around the clock by registered nurses trained to answer medical questions and offer guidance. When you call *NurseLine* you can speak with a registered nurse who will listen to your questions and discuss your health concerns with you. The nurse may provide some home health care measures or suggest you contact your personal physician.

Important Notes

- The *NurseLine* phone line is not a 911 service and is not intended to replace qualified medical care given by your doctor or other medical professional. If you have an illness or injury that requires immediate attention, please go directly to an emergency room.
- For questions about your MESSA benefits, please call the Member Service Center at 800.336.0013.
- All inquiries to *NurseLine* are strictly confidential.
