

THIS AGREEMENT, entered into as of the first day of July 2004 between:

CHELSEA SCHOOL DISTRICT BOARD OF EDUCATION
(the "Board")

and the

WASHTENAW COUNTY EDUCATION ASSOCIATION/
CHELSEA EDUCATION ASSOCIATION,
MEA, NEA
(the "Association")

WITNESSETH:

The Board and the Association recognize that providing a quality education for the children of the Chelsea School District is their mutual aim, and that the character of such education is influenced by the quality and morale of the teaching service.

The Association and the Board desire to contract in respect to wages, hours, and other conditions of employment, as provided by the Public Employment Relations Act (PERA).

The Board and the Association agree as follows:

All K-12 instructional personnel, including counselors, media specialists, speech pathologists, psychologists, and social workers, excluding all others. Examples of excluded District personnel are: substitutes, teacher aides and other auxiliary personnel, community education teachers, administrators, directors, supervisors, technology support staff, and auditorium manager.
- B. The terms “teacher” or “employee,” singular or plural, when used in this Agreement, refer to all personnel represented by the Association in the bargaining unit.

- E. Any individual contract between the Board and an individual teacher, heretofore executed, shall be subject to and consistent with the terms and conditions of this agreement. If an individual contract contains any language inconsistent with this agreement, this agreement, during its duration, shall be controlling.
- F. This agreement supersedes any rules, regulations, or practices of the Board and CEA which are contrary to or inconsistent with its terms.
- G. If any provision of this agreement or any application of the agreement to any employee or group of employees is found contrary to law, then such provision or application shall be deemed null and void. All other provisions or applications shall continue in full force and effect.
- H. The parties agree that they will not, during the period of this agreement, directly or indirectly, engage in or assist in any unfair labor practices as defined by Section 10 of the Public Employment Relations Act.

ARTICLE II

BOARD RIGHTS

The Board, on its own behalf and on the behalf of the electors of the District, retains and reserves, without limitation, all powers, rights, authority, duties, and responsibilities conferred upon or vested in it by the laws and the Constitution of the State of Michigan and the United States.

The exercise of these powers, rights, authority, duties, and responsibilities by the Board, including the adoption of policies, rules, regulations, and practices and the use of judgment and discretion shall be limited only by the specific terms of this Agreement and then only to the extent such terms are in conformance with the Constitution and laws of the State of Michigan and the Constitution and laws of the United States.

ARTICLE III

ASSOCIATION AND TEACHER RIGHTS

A. Association Rights

Such use of the buildings shall be without charge and scheduled through the facility use coordinator.
2. The Association shall have the right to use school equipment, including computers and other technology, when such equipment is not otherwise in use. The Association agrees to abide by the District's acceptable use policy. The Association shall be responsible for such equipment and pay the actual cost of supplies and materials used.
3. The Association may utilize teacher mailboxes for communication.
4. The Association President and grievance chairperson may use non-pupil contact time during the regular school day for Association business.
5. The Association President shall be supplied with a copy of the Board agenda and a copy of the public Board minutes at the time of its anticipated receipt by members of the Board of Education.

The Association shall be supplied with a copy of the current Annual School District Financial Report and existing salary schedule, together with information which may be necessary for the Association to process any grievance.

The District is not required to provide information not already compiled. Original records of the foregoing are to be examined only at the office of the Superintendent. The Association agrees that it shall pay the expense involved in the preparation of information for the Association's use.

6. Twelve (12) Association leave days shall be granted, for the purpose of conducting Association business related to the Chelsea School District, as requested by the President of the local unit of the Association. This is not to be counted as any other leave. The Board and Association shall share equally in the substitute costs for Association days. Association days may be taken in half-day (1/2) blocks. Upon mutual agreement, the CEA may be granted additional association days.

B. Teachers' Rights

1. The provisions of this Agreement shall be applied without regard to race, creed, religion, color, national origin, age, sex, or marital status.
2. District faculty meetings shall take precedence over Association meetings, if announced three days in advance or for an emergency.

3. Teachers shall be informed in writing within thirty (30) calendar days of any new or revised policies. Notice shall include a summary of the policy and where it can be obtained. A copy of Board policies shall be maintained on the District web site.
4. A teacher is free to participate in political activities outside the school day. Teachers should refer to MCLA 15.401 for additional information.
5. Upon request, a teacher shall be entitled to have an Association member present when he is being reprimanded for rule infraction or delinquency in professional performance that is to be placed in the teacher's personnel file. The teacher and the member shall make themselves available to the administrator during the teacher's regular school day or at a mutually agreeable time.
6. No tenured teacher shall be disciplined or reprimanded without just cause. All information forming the basis for disciplinary action will be made available in writing to the teacher and, at his request, the Association shall receive a copy. The teacher being reprimanded or disciplined has a right to file a written rebuttal within ten (10) days which shall be attached to the written reprimand or record of disciplinary action and shall become a part of the teacher's personnel file.
7. When correspondence of a disciplinary nature or as the result of an investigation of a complaint is determined to be placed in a personnel file, the teacher will be notified.

Each teacher shall have the right, upon request, to review the contents of his personnel file in accordance with the Bullard-Plawecki Employee Right to Know Act (MCLA 423.410 et.seq.). The review will be made in the presence of an administrator or designee. Privileged information, such as letters of recommendation sent confidentially to the District and other documents specified in the Bullard-Plawecki Act, may be removed prior to the review, at the District's discretion.

A member of the Association may, at the request of the teacher, accompany the teacher.

The District will notify a teacher when a Freedom of Information Act request is made for an item or items in his personnel file. A teacher may request review of his personnel file at that time.

A teacher may request the removal of items from the personnel file. The District is under no obligation to remove materials from the personnel file. However, a teacher does have the right to file a written explanation and have it included in his file.

8. If a teacher or the Association is desirous of bringing any matters to the Board's consideration at a regular Board meeting, they shall file written request with the Superintendent of Schools on the Wednesday prior to the regular meeting. The request shall state the nature of the business to be

brought to the Board's consideration. If the request is rejected, the Association or teacher may renew their request to the Board prior to its confirmation of the agenda. The Board may at this time place the matter on the agenda. (The Board shall take up any matters placed on the agenda, by the Association, not later than 10:00 PM of the night of the meeting.)

9. Teachers shall be encouraged to maintain their dress and appearance and to conduct themselves in a manner which promotes respect and professionalism consistent with their assignment.

ARTICLE IV

MEMBERSHIP FEES AND PAYROLL DEDUCTIONS

A. Payroll Deductions

1. During the term of this Agreement, all teachers shall pay either
 - a) The monthly membership dues of the Association or
 - b) The appropriate representation service fee of the Association, not to exceed the amount of the dues uniformly required of members of the Association.

The teacher may pay such dues or fees directly to the Association or authorize payment through payroll deduction, as herein provided.

2.
 - a) The Association shall certify to the Board at the beginning of the school year, the membership of the Association subject to deduction of membership dues and the amount of the monthly Association dues to be deducted. The Association shall also certify to the Board, as soon as the amount is known, the amount of monthly representation service fees to be deducted. These amounts so certified and deducted shall be forwarded to the Association, provided that when a teacher objects to the appropriate amount of the representation service fee, the amount of the deduction contested shall be placed in an escrow account as required by law until a determination of the appropriate amount of the deduction has been determined.

The Association shall certify to the Board, prior to collecting any representation service fee, that it has properly notified its members of the fee. The method of determining the fee and the procedure for appealing the fee shall be in accordance with all other current legal standards.

- b) A teacher, contesting the appropriate amount of the representation fee to be deducted, must exhaust the internal administrative procedures of the Association. The remedies of such procedures shall be inclusive, and unless and until such procedures, including any administrative or judicial review thereof, shall have been exhausted, no dispute, claim, or complaint by an objecting employee concerning the application and interpretation to this Article shall be subject to the grievance procedure set forth in this Agreement, or to any other administrative or judicial procedure.
 - c) Due to certain requirements established by court decisions, the parties acknowledge that the amount of this fee charged to non-members, along with other required information, may not be available and transmitted to non-members until mid-school year. Consequently, the parties agree that the procedures in this Article relating to the payment or non-payment of the representation fee

by non-members shall be activated thirty (30) days following the Association's notification to non-members of the fee for that given school year. In such event, it is agreed that the teacher remains obligated for the entire annual representation fee.

- d) If a teacher does not pay the representation service fee directly to the Association, or authorize payment through payroll deduction, the Board shall, upon completion of the procedures contained herein at the request of the Association and pursuant to MCLA 408.477; MSA 17.277(7), deduct the representation service fee from the teacher's wages and remit same to the Association. Payroll deductions made pursuant to this provision shall be made as provided in section "b" above. The Association in all cases of mandatory fee deduction pursuant to MCLA 408.477; MSA 17.277(7) shall notify the teacher of non-compliance by certified mail, return receipt requested. Said notice shall detail the non-compliance and shall provide ten (10) business days for compliance and shall further advise the teacher that a request for wage deduction may be filed with the Board in the event compliance is not effected. If the teacher fails to remit the service fee or authorize deduction, the Association may request the Board to make the deduction. The Board, upon receipt of the request for involuntary deduction, shall provide the employee with an opportunity for a due process hearing limited to the question of whether or not the teacher has remitted the service fee to the Association or authorized payroll deduction.
3. Nothing contained herein shall be construed to deny or restrict any teacher rights he may have under the Revised School Code.
4. Regular dues for any or all of the above-stated organizations shall be deducted together, as one deduction, in equal installments from each check beginning the second check due in September.
5. Dues authorizations filed with the business office shall become effective with the next scheduled dues deduction on a prorated basis as determined by the CEA Treasurer.
6. Dues authorization filed with the business office must be renewed on an annual basis.
7. The Association shall, by the second Monday of September of each school year, give written notification to the Superintendent of the amount of its dues and those of the MEA/NEA which dues are to be deducted in the coming school year under such dues authorization. The amount of deductions for these dues shall not be subject to change during the entire school year.
8. For the purpose of this Article, the term "school year" shall include the period beginning with the first teacher working day of school through the last teacher working day of school.

9. Dues deductions shall be transmitted by the Superintendent to the WCEA/CEA Treasurer within thirty (30) days after deductions are made. The Association shall be responsible for disbursement of WCEA/CEA, MEA/NEA dues paid to it to the Treasurers of these organizations.
10. All refunds claimed for dues of the WCEA/CEA, MEA/NEA shall lie solely with the Association. The Association agrees to reimburse any teacher for the amount of any excess dues deducted by the Board and paid to the Association and agrees to hold the Board harmless from all claims of excessive dues deductions.
11. Any dispute between the WCEA/CEA and the Board which may arise as to whether or not an employee properly executed or properly revoked an authorization card pursuant to this Article shall be reviewed with the employee by a representative of the Board and the Treasurer of the Association. Until the matter is disposed of, no further deductions shall be made. The Board assumes no liability for the authenticity, execution, or revocation of the authorization form.
12. The Board shall also make payroll deductions upon written authorization from teachers for annuities, financial institutions, savings bonds, United Way Fund, Chelsea Education Foundation, and any other plans or programs jointly approved by the Association and the Board.
13. The Association agrees to appoint legal counsel and assume the legal defense of any suit or action brought against the Board due to the District's compliance with the provisions of this Article of the collective bargaining agreement.

The Association further agrees to indemnify and save the Board, including each individual School Board member, its agents and administrators, harmless against any and all claims, demands, costs, suits, or other forms of liability including back pay and all court or administrative agency costs that may arise out of or by reason of action by the Board, its agents or administrators, for the purpose of complying with this Article.

ARTICLE V

TEACHING HOURS, CONDITIONS, AND CLASS LOAD

A. Teaching Hours

- 1) The normal teacher workday shall be seven and one-quarter (7 ¼) hours, inclusive of a thirty (30) minute, duty-free lunch period. The normal student day will be six (6) hours and forty-three (43) minutes. Teachers are to be on duty thirty-two (32) minutes prior to the start of school for students. Teachers are encouraged to remain for a sufficient period after the close of the pupils' day to attend to those matters which properly require attention at that time.
- 2) Teachers who agree to a flexible schedule that extends the beginning or ending times, or creates a break in the continuous seven (7) hours and fifteen (15) minute workday must have the approval of the Association and the Superintendent of Schools.

When a staff meeting is held, the teachers will be expected to be in attendance until its conclusion, with the meeting lasting no longer than one (1) hour. There shall be no more than one (1) administratively-called, mandatory meeting per month requiring teachers' attendance beyond the established workday. In addition, the Superintendent reserves the right to call one (1) mandatory, District-wide staff meeting per semester of one (1) hour each in duration, with CEA President approval.

- 3) High School and Middle School teachers shall be provided a planning period each day. The planning period will be equal to a regular class period.

Elementary School/Intermediate School teachers shall be scheduled for no fewer than 420 planning minutes per week, with at least three days of thirty (30) consecutive minutes other than zero hour. Poor weather, emergency, or special activity days are not considered a loss in planning time. The Employer will make reasonable efforts through scheduling of special subject instruction, rotation of recess duties, and/or rotation of staff meetings to arrange at least thirty (30) consecutive minutes of preparation time each student instruction day for each elementary/intermediate teacher.

- 4) Teachers will not be required to supervise students during elementary/intermediate lunch recess. When a teacher requires emergency relief, the building administrator shall provide for temporary supervision. Elementary/intermediate teachers shall be able to use, for preparation, all time in which their classes are receiving instruction from various teaching specialists. All elementary teaching specialists shall be provided with relief and preparation time to the same extent as other elementary/intermediate teachers.
- 5) Pupil contact time is defined as any time during the normal teacher's workday in which the teacher is involved in instruction or supervision of

students excluding lunch and preparation periods. Assignment to a supervised study period shall be considered a teaching period.

- 6) Every reasonable effort will be made to keep the pupil contact time assigned to each teacher equivalent within each school, inclusive of special teachers.

B. Class Size

- 1) The Association and the Board recognize that the pupil:teacher ratio is an important aspect of a quality education program. The parties agree that class size should be lowered and equalized whenever feasible, taking into account the availability of qualified staff, facilities, funds, and state requirements.

- 2) Elementary/Intermediate

The class size shall not exceed twenty-six (26) at grades K, 1, and 2, and twenty eight (28) at all other grades, except it is agreed that should the class size specified reach a ten (10) percent overage, the matter would become a matter of concern, and plans be considered to correct the situation. At such time as the class size reaches a twenty (20) percent overage, action will immediately be taken to put the corrective plan in force.

- 3) Middle and High Schools

- a) The ratio of pupils to bargaining unit staff of the middle and high schools shall not exceed 27:1. It is understood that this ratio shall apply to each school taken separately.
- b) Only a staff member's time actually devoted to duties in the middle or high school, respectively, may be counted in determining the pupil:teacher ratio.
- c) Except in certain activity-type classes such as physical education, music, and study hall, the average pupil load for teachers shall not exceed one hundred fifty (150) pupils per day.
- d) The Employer will make a reasonable effort to ensure that, in classes using lab stations or equipment, the number of students assigned to the class will not exceed the number of stations or amount of equipment available.

- 4) Pursuant to the requirements of mainstreaming and to promote a proper learning environment for those identified under the Revised Administrative Rules for Special Education (November 2002), the Employer will make a reasonable effort to ensure that an equitable distribution of such students shall be made within the building, grade, and/or subject area which will accommodate the student's schedule.

The Superintendent will, at the teacher's request, review situations where the teacher believes an equitable distribution has not been made.

C. Equipment/Facilities

- 1) The Board agrees to make available in each school adequate word processing and copying facilities to aid teachers in the preparation of instructional material at least fifteen (15) minutes prior to the required reporting time.
- 2) The Board shall provide:
 - a) Suitable closet space for each teacher to store personal articles.
 - b) Copies, exclusively for each teacher's use, of all texts used in each of the courses he is to teach.
- 3) The Board shall make efforts toward providing:
 - a) A separate desk for each teacher in the District and lockable drawer space.
 - b) Adequate storage space in each classroom for instructional materials.
 - c) Adequate board space in every classroom.
 - d) Adequate attendance books, paper, pencils, pens, erasers, and other such material required in daily teaching responsibilities.
- 4) The Board shall make available, in each school, adequate restroom and lavatory facilities exclusively for employee use and at least one room, appropriately furnished, which shall be reserved for use as a staff room.
- 5) Telephone facilities shall be made available to teachers for their school business. Teachers making personal, long-distance calls shall utilize their personal calling cards or personal cell phones.
- 6) Upon request of the Association, vending machines may be installed in the staff areas. These machines shall be installed and maintained by the Association at no expense to the Board.
- 7) Adequate off-street parking facilities shall be provided and properly maintained and identified exclusively for employee use.
- 8) Teachers shall not be required to work under unsafe or hazardous conditions or to perform tasks which endanger their health and safety.

D. Professional Development Requirements

Teachers shall meet the professional development requirements of MCL 380.1526 (teachers in first three (3) years of employment) and MCL 380.1527 (teacher professional development) and report such compliance with the District office prior to June 1 or 15 days prior to the state submission deadline of each school year.

Failure to report or meet such requirements by the deadline shall result in a salary reduction of $\frac{1}{4}\%$ of a teacher's base pay. Such reduction shall be taken in the teacher's June 23 paycheck. (The District shall provide a form for reporting professional development activities.) If District professional development time is not approved by the state, no reduction of $\frac{1}{4}\%$ base pay will occur. Should the state of Michigan professional development requirements be repealed, this provision shall be void.

E. Nothing in this Article shall require the Board to keep school open in the event of an emergency.

Scheduled student instruction days/hours canceled shall be rescheduled so as to provide the minimum number of hours/days of instruction required by law for full funding in the following manner: All canceled student instruction days shall be scheduled as full student instruction days on subsequent weekdays following the last scheduled day of instruction.

Teachers are not required to report on canceled student instruction days. Teachers shall work the rescheduled student instruction hours/days without additional compensation to meet requirements of instructional hours/days for the school year. The school district will publicize to the community the importance and necessity of student attendance on the rescheduled day. Should student attendance on the rescheduled day not be sufficient to count the day toward the instructional hours/days requirements, the school district will attempt to obtain a waiver of the day prior to attempting to reschedule more student hours/days.

If, during the life of this agreement, state law is repealed or modified to allow the school district to count as days of student instruction those days which are canceled because of conditions beyond the control of school authorities, or a portion of those days, the teachers shall be excused from reporting to duty without loss of pay on the canceled student instruction day(s) which are counted as days of student instruction, and such day(s) shall not be rescheduled.

ARTICLE VI

ASSIGNMENT, TRANSFER, VACANCY, AND PROMOTION

- A. The Board recognizes that it is desirable, in making assignments, to consider the interests and aspirations of its teachers. For the purpose of Article VI, the following terms are defined as follows:
- 1) Assignment- The placement of a teacher within a building (i.e., elementary/ intermediate teachers are “assigned” to a 1st grade through 6th grade class, and secondary teachers are assigned to specific subject areas such as English, science, social studies, or portions of each). Chelsea School District presently has five buildings made up of Pierce Lake Elementary, North Creek Elementary, South Meadows Elementary, Beach Middle School, and Chelsea High School.
 - 2) Transfer – The placement of a teacher from one building to another.
 - 3) Vacancy – The open position available after all assignments and transfers have been determined.
 - 4) Internal Posting – The posting of a position available for assignment or transfer.
 - 5) External Posting – The posting of a position available to external candidates or for additional employment for internal candidates.
- B. Teachers who are interested in a different assignment or a transfer shall file a request by March 1 of each year on the form provided. These requests may be for positions posted or future positions. Copies shall be sent to the Assistant Superintendent, present building principal, and the President of the Association. (See request form.)
- C. Due to the nature of middle/high school assignments, principals are not required to provide an internal posting for each individual class open for assignment. Instead, teacher assignment requests made prior to March 1 will be considered before final middle school/high school assignments are made. Any classes remaining after building assignments are determined shall be posted internally and externally if necessary.
- D. Teachers requesting an assignment or transfer for internal postings shall be interviewed by the appropriate administrator(s). The administrator(s) may include appropriate staff in the interviews.
- Teachers denied a position through an internal posting shall receive a written notification by the appropriate administrator.
- E. Teachers shall not be denied a new assignment or transfer during the school year purely because it may cause disruption to affected programs and students. Instead, teachers will be given normal consideration. If a teacher is selected, a date for the start of the new assignment or transfer will be determined, and the teacher shall be reassigned/transferred at that time.

- F. The Board retains the right to link work compensated on the B2 schedule to work assignments compensated on the B/B1 schedules. If linked, the B2 positions shall become a part of the B4 schedule and compensated at the B4 rate. If the Board unlinks a B4 linked assignment, the assignment shall be compensated at the B2 schedule rate. The linking and unlinking of B2/B4 positions shall be related to curricular duties and requirements.
- G. All postings shall be for a minimum of five (5) days. Personal notification of the posting shall be provided to the Association President or designee on or before the first day of posting.
- H. Assignment or transfer decisions will be made by considering a teacher's qualifications, competency, aspirations, experience, seniority, and other relevant factors.
- I. Vacancies in the administrative staff provide promotional opportunities for qualified applicants of the teaching staff. The Superintendent shall post notice of such a vacancy no less than five (5) days before the position is filled. Qualified applicants shall be interviewed.
- J. Notice of any change in teaching assignments should take place prior to the end of the school year. If no such notification is rendered to the teacher, the teacher can be reasonably certain his teaching assignment shall be the same. If there becomes a need to change a teacher's assignment after the end of the school year, notification of the change shall be given to the affected teacher within five (5) days, including the reasons therefor. If an emergency situation requires a change after the reopening of school, the teacher will be consulted and the Association shall be notified.
- K. Assignment shall be made at the discretion of the administrator and will, except for good cause, be in the area of the teacher's certification. If outside the teacher's certification, the Association shall be notified and provided with a written explanation.
- L. Nothing in this agreement shall be construed to discourage exploration of unique programs of instruction; for example, a block-time program or team teaching.
- M. An involuntary transfer during the school year will be made only in case of emergency or to prevent undue disruption of the instructional program. The Superintendent shall notify the affected teacher and the Association of the reasons for such transfer.
- N. Assignments that involve voluntary and involuntary transfers will be made at the discretion of the administrator, but the decision will emphasize an interest-based, problem-solving process. If a teacher is dissatisfied with an assignment, he may appeal the decision to the Superintendent for review.

ARTICLE VII

REDUCTIONS OF PERSONNEL AND RECALL

- A. In the event the Board determines a lay-off situation has developed due to a decreased student enrollment, shortage of revenue, program elimination or reduction, or that it has become necessary to reduce the number of teachers in a given subject area, field or program, or eliminate or consolidate position(s), the Board agrees to follow the procedure listed below:
- 1) Teachers not holding valid Michigan license(s) or teaching certificate(s), pursuant to the school code, shall be laid off first, provided there are fully qualified, fully certified teachers to replace and perform all of the needed duties of the laid off teachers.
 - 2) If reduction is still necessary, then probationary teachers, with the least seniority, will be laid off first, provided there are remaining fully qualified, fully certificated teachers to replace and perform all of the needed duties of the laid off teachers.
 - 3) If further reduction is still necessary, then tenured teachers, with the least seniority, will be laid off first, provided there are fully qualified, fully certificated teachers to replace and perform all of the needed duties of the laid off tenured teachers.
- B. To be fully qualified, a teacher shall:
- 1) Possess a valid Michigan teaching certificate, and
 - 2) Have completed a major or minor (or the equivalent number of hours from an accredited college or university) in the subject area which the teacher is assigned; or
 - 3) Have earned the minimum credit hours required by the North Central Association for positions where North Central accreditation has been conferred.
 - 4) "Highly qualified," as defined in the No Child Left Behind Act, shall determine fully qualified requirements. Any teacher, who does not meet Highly Qualified Teacher status in his current 2004-2005 assignment (as of August 30, 2004) by the beginning of the 2005-06 school year, will be subject to layoff, regardless of other lay-off language within the contract.
 - 5) When seniority and qualifications, as defined in 1 through 4 above are equal, recency of training and experience will be determinate.
- C. For purposes of this Agreement, seniority shall be computed from the last date of hire and shall be defined to mean the amount of time continuously employed by the Chelsea School District. Time spent on leave or layoff shall not be construed as a break in continuous service, and seniority shall continue to accrue.

Ranking of teachers having the same length of service (seniority) shall be determined by a public drawing, conducted by the Association. The teachers affected shall be notified in writing of the date, place, and time of any drawing by the Association.

- D. Recall – In the event of layoff, the Board will institute a recall procedure which will be in inverse order of the above layoff procedure.

No new teacher shall be employed by the Board while there are teachers of the District who are laid off, unless there are no laid-off teachers with proper certification and qualifications. The Board shall give written notice of recall from layoff by sending a registered or certified letter to the teacher at his last known address. It is the teacher's responsibility to notify the Board of any change of address. The teacher's address, as it appears on the Board's records, shall be conclusive when used in connection with layoffs or recall. If a teacher fails to report to work within ten (10) days from the date of sending of the recall, unless an extension is granted in writing by the Board, the teacher shall be considered as a voluntary quit and shall terminate his individual employment contract and any other employment relationship with the Board.

- E. Any layoff pursuant to this agreement shall automatically terminate the individual's employment contract and all benefits provided therein, including all benefits under this Master Agreement. Employment rights shall be reinstated in full upon re-employment in accordance with paragraph "D" above.
- F. The Board shall give no less than thirty-(30) days' notice to the teacher being laid off.
- G. In accordance with the Teacher Tenure Act, a teacher shall remain on the recall list for a period of three (3) years.

ARTICLE VIII

LEAVES OF ABSENCE

A teacher, who takes leave under this Article (VIII), shall return to the same step as the year he left, retain all sick leave earned, and shall be assigned to his former position or to a position of like nature, unless another placement is required by law (i.e., military service).

Section I - Illness and Disability

- A. Sick leave credits shall be earned during each year in the following manner:

First and second years of service: 1 per month to a maximum of 10

Each succeeding year of service: 1.5 per month to maximum of 15

- D. Absence due to injury incurred in the course of the teacher's employment, or because of the condition of school property, shall be charged against the teacher's sick leave account only on a prorated basis. He shall receive the difference between his regular salary and any Workers' Compensation benefits to which he may be entitled for the period that his sick leave covers on the prorated plan. Sick leave days deducted will be deducted at the same ratio of salary paid by the Board.
- E. The District, with administrative approval, will provide up to five (5) personal injury days for any teacher injured by students while performing his teaching duties. This provision will expire on June 30, 2007. With mutual consent, this provision may continue in future agreements. Appropriate documentation will be filed.

- F. The District reserves the right to require a doctor's written statement as evidence of illness or injury after three (3) consecutive days of absence.
- G. Illness on days when school is not in session shall not be deducted from sick leave accounts nor shall there be any loss of pay.
- H. A teacher who is unable to teach because of personal illness or disability, and who has exhausted all sick leave available, shall be granted a leave of absence without pay for duration of such illness or disability up to one year, and the leave may be renewed each year upon written request by the teacher and approved by the Board.
- I. Teachers shall notify the District on the first practicable date of anticipated extended illness or disability. Notification shall be accompanied by a statement from the attending physician, certifying the diagnosis and the anticipated period of illness or disability.

The teacher shall be required to furnish medical certification of his continued ability to perform his duties prior to returning to work.

Where husband and wife are employed by the Board, the Board shall not be obligated to pay premiums which would result in duplication or overlapping coverage. First-year teachers' insurance program contributions shall commence on the first day of teaching duty, as designated by the District and be coordinated with the annual insurance program contributions. Premium contributions on behalf of a teacher shall cease when he commences an unpaid leave of absence, is on layoff, or terminates employment with the District before the end of the school year, except as otherwise required for an eligible teacher under FMLA.
- F. Except as specified above, the Community Blue PPO, Plan 1 does not include sponsored dependent or family continuation riders or other endorsements or riders.

XVII

CO-AND EXTRA-CURRICULAR ASSIGNMENTS

Section 1

- A. The Board and the CEA recognize that co-curricular and extra-curricular student activities are not legally required public school programs but can positively contribute to a student's educational experience. The Board holds the final responsibility for approving co-curricular and extra-curricular programming.

Nothing contained in this agreement shall be construed to require the Board to continue or fund any extra-curricular program or prohibit the Board from discontinuing any extra-curricular program at any time.

- B. Teachers shall notify the administration in writing by May 1 if they do not plan to hold the extra-curricular assignment the following year. No teacher shall be assigned extra-curricular duties without his consent, except as outlined in Article VII F.

Compensation for positions shall be negotiated between the Board and the Association, as outlined in this agreement. Schedule B2 and B3 compensation is limited to stipends only.
- G. Evaluation: Supervisory administrators shall notify a teacher if his work needs improvement, or is unsatisfactory, for each B2 or B3 assignment. B4 assignments are evaluated on the regular teacher evaluation form. (See Appendix D-1.) If performance is cited as unsatisfactory, or needs improvement, the supervisor shall recommend improvements to be made.

Evaluations are the responsibility of the Board and may be conducted by the supervising administrator, AD, principal, or designated administrator.

Section 2 – Adding/Deleting Positions or Duties

Only the Board may add or delete duties or positions on the B2, B3, or B4 schedules. Compensation for Board added or deleted duties or positions shall be negotiated. The Board is not required to fund or operate any program or position. (See Article XVII, Sec. 1 (A).)

Job descriptions establish minimum job expectations. Additional services provided by the teacher are considered voluntary and uncompensated. The Board may cause a substantial change in job description by notifying the Association of such change and need for negotiations.

When a teacher wishes to request the addition or deletion of a position or substantial change in duties, he shall submit the request to the negotiation chair for the Association and the Superintendent. The process for considering such requests is as follows:

- A. Submit B2/B3/B4 Request Form (See Appendix F.) to ongoing negotiations team through either “chair.”
- B. Chairs set dates for ongoing consideration and review job description or proposed job description adjustment.
- C. Chairs bring salary recommendations to ongoing team.
- D. Superintendent submits ongoing recommendation to Board, and Association chair submits ongoing recommendation to Executive Council.
- E. If approved by both, position becomes part of the contract.
- F. When setting or adjusting the stipend for a B2, B3, or B4 position, the following will be considered:
 - 1) Duty time beyond regular teaching day
 - 2) Average number of students per advisor/coach/teacher
 - 3) Size of budget
 - 4) Preparation time
 - 5) Equipment/material management
 - 6) Qualifications
 - 7) Length of season
 - 8) Number of events
 - 9) Travel requirements
 - 10) Supervision of adults

Section 3 – Extra-Duty B2/B3 Appeal and Grievance Rights

- A. Teachers holding B2/B3 positions in their first four (4) years are on probation and are assigned annually. Probationary teachers (years 1 – 4) may appeal supervisory decisions to the Superintendent only.
- B. Non-probationary teachers (5+) shall have the grievance rights provided in Article XVIII titled “Grievance Procedure” through Level Three. Level Four (for this Article only): If the Association is not satisfied with the results of Level Three, a hearing may be requested with the B2/B3 Committee. This request must be submitted to the Superintendent, in writing, within ten (10) days of receipt of the mediator’s written summary. The B2/B3 Committee shall consist of one (1) CEA member (appointed by the CEA President), one (1) administrator (appointed by the Superintendent), and one (1) mutually agreed-upon third party. Members of the B2/B3 Committee shall not be directly involved with the grievance. The decision of the B2/B3 Committee is final, and there shall be no additional access to this Agreement’s “Grievance Procedure.” The B2/B3 Committee shall submit its written determination within ten (10) days of the hearing.
- C. A teacher may be a non-probationary teacher in his/her regular assignment, while probationary teacher (years 1 – 4) in their extra-duty B2/B3 assignment(s).

- F. A teacher shall have no recourse to the procedures under the Tenure Act for any discharge or demotion in extra-curricular activities.
- G. Non-CEA members are not afforded rights under the “Grievance Procedure.”

Section 4

- A. Stipends paid on the B2 and B3 schedules shall be based on the B1/BA salary schedule. Steps shall be determined on the basis of one (1) step for each year of experience in that particular category in Chelsea. Other experience may be granted at the discretion of the Board. No teacher shall be placed on a higher step than his actual years of experience.
- B. Athletic coaches, whose experience credit has been earned in the Chelsea schools, shall be granted experience credit on the B1/BA salary schedule for any full year of coaching experience in any B3 position when hired for another B3 position.
- C. Stipends paid on the B4 schedule shall be based on teaching years of experience, as a director, in the Chelsea School District at the BA/MA/PhD level attained by the teacher. Other experience, as a director may be granted at the discretion of the Board. (See Article XVI, Sec. 1, B.) No teacher shall be placed on a higher step than his actual years of experience.

ARTICLE XVIII

GRIEVANCE PROCEDURE

Section 1

A grievance shall be an alleged violation of the terms of this contract or written Board policy which concerns teachers' wages, hours, and working conditions.

The following matters shall not be the basis of any grievance filed under the procedure outlined in this Article:

- A. The termination of services of, or failure to re-employ, any probationary teacher (See Article XII.)
- B. The failure to re-employ any teacher to a position on the extra-duty B2 or B3 schedule in years 1 – 4. Notice shall be given to any teacher not being re-employed by June 15 of each year for the following year
- C. Any matter involving the contents of written teacher evaluations

It is expressly understood that the grievance procedure shall not apply to those areas in which the Tenure Act prescribes a procedure or authorizes a remedy (discharge and/or demotion).

No grievance shall be adjusted without prior notification to the Association and opportunity for an Association representative to be present, nor shall any adjustment of a grievance be inconsistent with the terms of this Agreement. In the administration of the grievance procedure, the interests of the teachers shall be the sole responsibility of the Association.

Section 2

Grievance Procedure -The following procedure is the exclusive means for resolving grievances:

- A. **PROCEDURE:** A teacher who feels there is basis for grievance shall discuss it with his supervisor or principal in an attempt to reach a satisfactory solution. Following the initial discussion, either party may involve his representatives in additional discussions in order to effect an equitable solution. These discussions will emphasize dispute resolution utilizing an interest-based, problem-solving process.
- 1) **LEVEL ONE:** In the event the matter is not resolved, the teacher may, within ten (10) days of the alleged occurrence of the grievance, or within ten (10) days of the date it should have been discovered, file a written grievance with the principal.

Within five (5) days from receipt of the written grievance, the principal or supervisor shall render a decision, in writing, to the Grievant and the Association. The Association may file a grievance on its own behalf or on the behalf of the teacher.

- 2) **LEVEL TWO:** If the Grievant and/or the Association is not satisfied with the disposition at Level One, or if no decision has been rendered within five (5) days after presentation of the grievance, the Grievant and/or the Association may appeal the grievance within five (5) additional days by filing it with the Superintendent. Within five (5) days from the receipt of the written grievance, the Superintendent or his designee shall meet with the Grievant and a representative of the Association to attempt to resolve the grievance. These discussions will emphasize dispute resolution utilizing an interest-based, problem-solving process. The Superintendent or his designee shall render his decision within five (5) days after such meeting.
- 3) **LEVEL THREE:** If the Grievant and/or the Association is not satisfied with the disposition of the grievance by the Superintendent or his designee, or if no disposition has been made within five (5) days of such meeting or ten (10) days from the date of filing with the Superintendent, the Grievant, with the concurrence of the Association, may request a mediator to hear the grievance. The cost of mediation will be borne equally by the parties. The parties will meet within ten (10) days to select a mediator and agree on dates for mediation. Mediators will be required to submit a written summary of the proceedings of mediation and identify agreements made by the parties involved in mediation. A copy of the mediator's written summary shall be furnished to the Grievant, the Association, and the Board of Education. Mediation proceedings, records, and recommendations may not be introduced, or referred to by any party, should the grievance proceed to arbitration or in any subsequent grievance or arbitration. If no agreement regarding the mediator or the mediation process can be reached within the ten (10) day period, the grievance will move to Level Four if requested by the Grievant within five (5) days.
- 4) **LEVEL FOUR –** If the Association is not satisfied with the results of the grievance at Level 3, it may request an appointment of an arbitrator to hear the grievance. This request must be submitted to the Superintendent, in writing, within ten (10) days of the mediator's written summary. If the parties cannot agree upon an arbitrator, he shall be selected by the American Arbitration Association in accordance with its rules which shall govern the hearing. Neither party may raise a new defense or ground at Level Four not previously raised or disclosed at other written levels.

In the event the grievance is not settled prior to the hearing, the grievance may be tried before the arbitrator, whose decision shall be binding upon both parties, who agree that a judgment thereon may be entered in any court of competent jurisdiction.

Notwithstanding the foregoing, the arbitrator shall not have the power to add to, modify, alter, or amend, or subtract from the terms of this

agreement. He shall not hear any grievance previously barred from the scope of the grievance procedure.

Costs of arbitration shall be borne equally by the parties, except each party shall assume its own costs for representation and witness fees. All timelines, at any level of the grievance process, may be extended by an additional five (5) days by providing written notice of the extension to the other party. Extension of more than five (5) days requires mutual agreement.

The time limits provided in this Article shall be strictly observed, but may be extended by written agreement of the parties. In the event a grievance is filed after May 15 of any year, and strict adherence to the time limits may result in hardship to any party, the Board shall use its best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible.

If an individual teacher has a personal complaint which he desires to discuss with a supervisor, he is free to do so without recourse to the grievance procedure. However, no grievance shall be adjusted without prior notification to the Association and opportunity for an Association representative to be present, nor shall any adjustment of a grievance be inconsistent with the terms of this agreement. In the administration of the grievance procedure, the interests of the teachers shall be the sole responsibility of the Association.

ARTICLE XIX

INCLUSION

- A. Inclusion students are those students identified by an Individualized Educational Planning Committee (IEP) as being recommended for an inclusion program. By state definition, an inclusion student must be in general education for 50% of their school day, plus be identified as Autistically Impaired, Severely Multiply Impaired, Severely Mentally Impaired, or Trainable Mentally Impaired.

IDEA requires that, prior to placement in an inclusion program, an IEP is required. All involved staff members need to be present or represented at the IEP. They must have input into the development of the instructional and behavioral goals set for the student and the supported strategies that will be employed to ensure success. The general education teacher and/or representative must be in attendance.

For the duration of this contract, the procedural safeguards for general and special education teachers that are included IDEA will be continued even if the safeguards are no longer required by state law. Specific assurances include:

- 1) Attendance at an IEPC
 - 2) Empowerment in the decision-making process of that IEP, such as:
 - a) Matching the skills of the IEP participants with the needs of the students;
 - b) The ability of the IEP to weight the student's placement so as to positively impact the management and control of the classroom;
 - c) The ability to request additional IEPC's at any time;
 - d) Special education mediation and due process hearing safeguards.
- B. It is the intent of the Chelsea School District that for any inclusion student the following practices be continued:
- 1) Efforts will be made to make the placement voluntary among general education teachers.
 - 2) A planning process that could take up to one semester be continued.
 - 3) All staff members will be offered appropriate training to implement the IEP. This training would include the general education teacher, special education teacher or teacher consultant, as well as non-certified staff.
- C. When an inclusion student comes from another district and the district is required by law to immediately provide an inclusion program, the following procedures will be followed:
- 1) All applicable information will be shared with the teacher(s).

- 2) Even though the time to plan is not possible when a student transfers to the Chelsea School District, every effort will be made to incorporate as many of the practices as possible listed above, such as:
 - a) Trying to find a teacher to volunteer for this inclusion program;
 - b) Providing training necessary for staff to implement the program.

ARTICLE XX

MISCELLANEOUS PROVISIONS

- A. The Board shall advise the Association of its involvement and participation in any Consortium of school districts where students of the school district will be receiving instruction from teachers who are not in its employ. In such cases, the Board shall consult the Association and discuss the course offerings of the consortium which will be attended by students of the school district.
- B. The parties acknowledge that during the negotiations which resulted in this agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this agreement. Therefore, the Board and the Association, for the life of this agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.
- C. To assure smooth implementation of new school laws, the Chelsea School District and Chelsea Education Association President will meet to discuss implementation.
- D. The District may provide additional teacher professional development or other District activities by reducing student instructional time. Teachers shall be required to attend such professional development or District activities, but only during the regular teacher calendar and workday.
- E. CEA Presidential Release Time – In order to provide the opportunity for regular communication between the President of the CEA and School District Representatives, the president of the CEA shall be assigned to one less class period. One-half of the cost of the prorated share (one class period) of the President's teaching salary and fringe benefits shall be paid to the Chelsea School District by the CEA. One-half of the total due to the District shall be paid by September of each year and, again, in January. Presidential Release Time shall not continue unless the Board of Education and the CEA both adopt a resolution to continue this provision annually.

NEGOTIATION PROCEDURES

- A. Anytime after November 1, preceding the expiration date of the contract, either party may initiate negotiations for the purpose of entering into a successor agreement. The first meeting shall take place no later than thirty (30) days following such demand to begin negotiations.
- B. Each party may have up to five (5) representatives on their negotiations team, unless changed by mutual agreement. Neither party in any negotiations shall have any control over the selection of the negotiating or bargaining representatives of the other party. The parties mutually pledge that their representatives will be clothed with all the necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations.

Both parties agree to submit the final agreement for ratification of their appropriate governing bodies. It is understood and agreed that neither body is obligated to ratify the final agreement submitted by the bargaining teams. After ratification by both parties, their representatives shall attach their signatures to the ratified agreement within ten (10) days of ratification.

- C. Ongoing negotiations for mutual problem solving will be provided as follows:

Meetings will be held as needed between CEA negotiators and Board negotiators. The times, dates, topics, and invitees to the meetings will be determined by mutual consent of the CEA chief spokesperson and the Board chief spokesperson.

Any agreement to alter the contract must be approved by the Board and the CEA.

ARTICLE XXII

All new teachers, hired beginning with the 2004-05 school year, will be placed on the CEA Salary Schedule.
