

WEA GOALS FOR 2009-2010

1. The Association shall maintain the integrity of present Master Agreement.
2. The Association shall maintain and strengthen coalitions with support groups within the Waterford School District.
3. The Association shall strive to increase PAC enrollment, and increase member participation within the political process
4. The Association shall strive to elect WCCPAC/MEAPAC/NEAFCPE recommended candidates and other friends of public education to public offices.
5. The Association shall develop and implement an internal and external PR program.
6. The Association shall provide appropriate training on Association matters to executive board members, building representatives and committee members.
7. The Association shall maintain its affiliations and work to strengthen our position in those organizations.
8. The Association shall maintain a program of awareness on Association matters and maintain open lines of communications with its members
9. The Association will strive to increase the involvement of minority teachers.
10. The Association shall strive to assure representation at the representative assembly from all buildings.
11. The Association shall work with MEA and other organizations to secure and maintain adequate funding for Michigan's public schools.
12. The Association will strive to insure that meaningful and appropriate professional development opportunities are made available to all members.
13. The Association will develop a greater capacity within our local using the Building Full Capacity Local model.
